

## Content Standards

SWISS addresses Theatre and Language Arts Content Standards.

SWISS meets the Aesthetic Valuing standards for grades 8-12 by comparing traditional and non-traditional interpretations of selected Shakespeare scenes.

SWISS also meets some of the History and Language Arts Standards, such as vocabulary development, by talking about his life, the world around him and his influence on modern day language--offering examples of words and expressions that are still used today.

### SHAKESPEARE BY THE SEA'S MISSION:

To create theatrical experiences for underserved, culturally diverse audiences in order to ignite imagination, promote literacy and make theatre accessible to all.
